

WASC Senior College and University Commission
Statement on the Status of San Diego Christian College

On June 28, 2019, the WASC Senior College and University Commission (WSCUC) voted to impose the sanction of Probation for San Diego Christian College (SDCC).

Probation reflects the Commission's finding that an institution has serious issues of noncompliance with one or more of the Standards of Accreditation. The Commission has determined that SDCC is not in compliance with WSCUC Standard 3. Under U.S. Department of Education regulations, when the Commission finds that an institution fails to meet one or more of the Standards of Accreditation, it is required to notify the institution of these findings and give the institution no longer than two years from the date of this action to correct the deficiencies. It is the responsibility of the Commission to determine, at the end of the sanction period, whether the institution has made the necessary corrections and has come into compliance with Commission Standards.

The accredited status of SDCC continues during the Probation period and students' status within the college is not affected by this sanction.

The Commission's decision to impose Probation is subject to the terms and conditions contained in the Commission Action Letter dated July 12, 2019. This document is available on the WSCUC website. Questions about SDCC's accreditation status should be directed to Dr. Tamela Hawley at WSCUC at thawley@wscuc.org. A copy of this letter can also be found at www.wscuc.org.
